Click on the 'Groups' icon on the left-hand side of the screen to view all groups. The groups to which you belong will be displayed.

You can use the search bar to find a specific group or scroll to discover more of the groups listed.

## 6.2 Groups: Hub groups

All activity shared within the hub group will be private and will only be accessible to those who are also part of your hub.

There will be notices posted in your group regarding relevant activities and you will receive communications regarding events & opportunities that are relevant to you.

#### 6.3 Groups: Year groups

At registration, you select your year group which automatically adds you to the group for your year.

Within this 'Year Group', the Seren Team will share any group-specific information or events.

For your reference there is an example of a year group below.

#### 9.1 Resources: Overview

The resource section will provide you with:

- on-demand content from Seren events e.g. summer schools or conferences

This will grow and evolve over time so keep an eye out for new resources!
